OFFICE OF THE DEPUTY COMMISSIONER,
SHIMOGA DISTRICT

Dated Shimoga, 13th March, 193 8

Jud. 134-37-3

FROM

M. Seshadri, Esq. M.A., Deputy Commissioner,
Shimoga District.

To

P. K. Krishna Rao, Esq., M.A.,
Secretary to Government,
Local Self Government Department,
Bangalore.

SIR,

I have the honour to forward herewith the file of vernacular correspondence ending with report No.C.307/37-38 dated 5-2-1938 received from the Amildar-President, Tirthahalli Municipality, regarding the extension of the present limits of the Municipality and to state, that the boundary was originally fixed in July 1918 ( a copy of which is enclosed in the file). This Town has ever since grown in importance and it has been reported that the town, has extended beyond the present limits. Several new buildings are coming up in Survey Number of Tirthahalli Kuruvally, Suralibalebyle, and Ydehalli villages.

2). The above villages being in close proximity to Tirthahalli Municipality, have enabled the traders to stock their dutiable articles in those places, thus avoiding payment of octroi duty which has resulted in a very heavy loss to the Municipality. The detailed report of the Amildar, enclosed in original in the file, explains the facts clearly.

3). My predecessor, who inspected the locality opined that the extension of the boundary of this Municipality, as now proposed by the Amildar, is necessary. I have also inspected the town and I agree that the boundaries of the Municipality ought to be extended as now proposed. A draft copy of the Notification, as well

as well as a copy of the sketch showing the existing and proposed boundaries of the town are also enclosed in the file for perusal.

3). In these circumstances, I recommend that necessary further action may kindly be taken under the Mysore Minor Municipalities Act, to have the Municipal Boundary extended early.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Shimoga District.
